

# Shahin John Korangy, M.D., M.P.H.

---

## Professional Experience

- 2015-current            Virtual Radiologic Professionals  
                              -Neuroradiologist  
                              -Emergency Radiologist  
                              -Interpret all modalities
- 2014-current            CareClix  
                              -Cofounder  
                              -Telehealth/mHealth Software Development Company
- 2010-2015              MidAtlantic Permanente Medical Group  
                              -Neuroradiologist  
                              -Neuro and Musculoskeletal Interventional Services  
                              -Breast Interventional Services  
                              -MQSA certified  
                              -Interpret all modalities
- 2006-2010              United Radiology Services, Maryland  
                              -Neuroradiologist/Musculoskeletal Radiologist  
                              -Neuro and Musculoskeletal Interventional Services  
                              -Breast Interventional Services  
                              -MQSA certified  
                              -Interpret all modalities  
                              -Teleradiology incorporated into practice

## Postgraduate Medical Education

- 2005-2006              Georgetown University Medical Center, Washington, DC  
                              Department of Radiology  
                              Division of Neuroradiology  
                              Fellow
- 2005-2006              National Institutes of Health, Bethesda, MD  
                              Department of Radiology  
                              Division of Neuroradiology  
                              Fellow
- 2005-2006              Children's National Medical Center, Washington, DC  
                              Department of Radiology  
                              Division of Neuroradiology  
                              Fellow
- 2004-2005              Georgetown University Medical Center, Washington, DC  
                              Department of Radiology  
                              Division of Cardiovascular and Interventional Radiology

Mini-Fellowship (6 months)

2001-2005	Georgetown University Medical Center, Washington, DC Department of Radiology Resident
2003-2004	Georgetown University Medical Center, Washington, DC Department of Radiology Chief Resident
2000-2001	Georgetown University Medical Center, Washington, DC Department of Radiology MRI Research Fellow
1999-2000	Georgetown University Medical Center, Washington, DC Department of Surgery Resident

### **Education**

1999	George Washington University School of Medicine, Washington, DC M.D. With Distinction
1995	George Washington University School of Public Health, Washington, DC M.P.H. Concentration in Management and Epidemiology
1994	George Washington University, Washington, DC B.S. Biology with Honors

### **Licensure**

Maryland, District of Columbia, Virginia, Pennsylvania, Ohio, Florida, South Carolina, Kentucky, California, Michigan, Washington

### **Certification**

American Board of Radiology  
United States Medical Licensing Examination Step I-III (1997, 1999, and 2001)  
Basic Life Support

### **Elected/Appointed Service**

2015-current	American Telemedicine Association Industry Council
2013-2015	MRI sub-chief, MidAtlantic Permanente Medical Group
2010-2015	MRI Selection Committee, National Permanente Medical Group
2010-2013	Quality Assurance Committee, MidAtlantic Permanente Medical Group
2006-2010	Director of MRI, United Radiology Services
2007-2008	Chairman, Department of Radiology Good Samaritan Hospital of Maryland
2007-2008	Medical Executive Committee, Good Samaritan Hospital
2007-2008	Radiation Safety Officer, Good Samaritan Hospital
2007-2008	Credentials Committee, Good Samaritan Hospital
2007-2008	Quality Oversight Committee Good Samaritan Hospital
2003-2004	Chief Resident
2003-2004	Residency Selection Committee, member

2002-2004	President-ACR DC Chapter Resident Section
2002-2004	Georgetown University Hospital House Staff Association, member
2001-2002	Vice President-ACR DC Chapter Resident Section
2001-2002	State of Maryland Lead Poisoning Prevention Commission, member Appointed by Governor Parris Glendening
1998-99	Medical School Class Council, social chair
1997-99	Committee on Admissions and Advanced Standing, member
1997-99	AMSA PreMedical GW chapter, medical school advisor
1996-99	Medical School Admissions Committee, member
1995-97	Committee on Health Policy, asst. director of events
1995	Medical School Orientation Committee, member
1995-96	Medical School Student Council, 1 <sup>st</sup> year representative
1995-96	Coordinator for Medical School Admissions Interviewing
1991-94	President-PreMedical Society

## Honors and Awards

Residency	Chief Resident DC Metropolitan Radiological Society
Medical School	Graduate With Distinction William Beaumont Medical Research Honor Society
Undergraduate	Honors Graduate in Biology Dean's List Golden Key National Honor Society Phi Eta Sigma National Honor Society

## Publications & Presentations

2016	Leadership Forum: Connected Health, Internet of Things, mHealth, Telemedicine - Are we rebranding or have things changed? Where are we today on the evolutionary path of technology based care? American Telemedicine Association. Minneapolis, MN April 15-17.
2016	Managing Telemedicine Services within Practice Groups. American Telemedicine Association. Minneapolis, MN April 15-17.
2016	Remote Patient Monitoring. California Telehealth Summit 2016. April 17 – 19, San Diego, CA.
2015	School Based Telehealth Programs. 2015 School Health Interdisciplinary Program. Baltimore, MD August 6-7.
2015	Practical Considerations in the Delivery of Primary and Urgent Care via Telehealth. American Telemedicine Association. Los Angeles, CA May 2-5.
2014	Bringing Healthcare to Consumers: Practical Considerations in the Delivery of Primary and Urgent Care. American Telemedicine Association. Baltimore, MD April 17-20.
2004	Jha RC, Hwang E, Korangy S, Spies J, Ascher SM. Detection of Ovarian Collateral Arteries before Uterine Artery Embolization: Comparison between

Magnetic Resonance Angiography and Conventional Angiography. Presented as a Scientific Paper during the Radiological Society of North America, Chicago, IL.

- 2004 Korangy S. Radiology Review: Which Test Should Be Ordered? Presented during American College of Physicians Internal Medicine Board Review Course in Washington, DC.
- 2003 Jha RC, Takahama J, Imaoka I, Korangy SJ, Spies JB, Cooper C, Ascher SM. Adenomyosis: MRI of the Uterus Treated with Uterine Artery Embolization. AJR 2003;181:851-856.
- 2002 Jha RC, Korangy SJ, Ascher SM, Takahama J, Kuo PC, Johnson LB. MR Angiography and Preoperative Evaluation for Laparoscopic Donor Nephrectomy. AJR 2002;178:1489-95.
- 2001 Jha RC, Takahama J, Korangy SJ, Imaoka I, Spies JB, Ascher SM. MRI of Uterine Artery Embolization for Symptomatic Leiomyomata: Changes in Volume, Vascularity, and Prognostic Variables at 3 Month and 1 Year Follow-up. Presented as a special focus session during the Radiological Society of North America, Chicago, IL.
- 1999 Korangy S. Knee Dislocation: Review and Assessment of Imaging in Manangement. Prepared for Senior Research Project at The George Washington University School of Medicine.
- 1998 Headrick M, Korangy SJ, Klontz K. Epidemiology of Raw Milk-Associated Outbreaks of Illness Reported in the United States, 1973-1993. Am J of Pub Health. Aug 1998;88:8:1219-1221.
- 1996 Korangy S. Epidemiology of Raw Milk-Associated Outbreaks of Illness Reported in the United States, 1973-1993. Presented during the 61<sup>st</sup> Annual Beaumont Day at The George Washington University.
- 1995 Korangy S. Chloroplast DNA Variation in Three Species of the Genus Heuchera. Presented during Honors presentations to the Department of Biological Sciences at The George Washington University.

## Teaching/Volunteer Service

- 2002-2005 Radiological Anatomy, Georgetown University School of Medicine
- 1997-98 The Washington Free Clinic, Project coordinator
- 1996-97 Biochemistry Tutorial Sessions
- 1996-97 Thalamus Club (tutoring gross anatomy and neuroanatomy)
- 1995-96 Screening for Kids: Headstart Programs/United Planning Organization
- 1995-97 Zaccheus Free Clinic, patient advocate
- 1995-96 Peer Shadowing Program, mentor
- 1995-96 First Step Community Immunization Project, volunteer
- 1995 National Youth Leadership, GWU representative
- 1990-94 American Red Cross, volunteer

1992-93                    Emergency Medical Technician  
1992-93                    Best Buddies, volunteer

### **Professional Organizations**

2012-current            American Telemedicine Association  
2012-current            HIMSS  
2005-present            American Society of Neuroradiology, Senior Member  
2001-2012              American College of Radiology  
2001-2012              Radiological Society of North America
